WORK EXPERIENCE

1. Internship at

29/6/2024 – 11/7/2024

Akash TechnoLabs, Ahmedabad

- In this Summer Internship i learned to Developed Responsive and dynamic Website. Created and maintained dynamic, user-friendly website using HTML5, CSS3, JavaScript and modern FrameWorks like ReactJs ensuring cross-browser compatibility and responsive design for various devices. Integrated interactive elements and dynamic features through JavaScript and framework like ReactJs.

2. Training at

Akash TechnoLabs, Ahmedabad

- During my 6-month front-end web development training at Akash Technolabs, I gained comprehensive knowledge and hands-on experience in building modern, responsive websites and web applications. The program focused on the core technologies of web development: HTML, CSS, JavaScript, and frameworks like React.js and Bootstrap.

3. ReactJS Developer Intern, RactoSoft Solution

January 2025 – April 2025 (Expected Completion)

- Developed and integrated a React.js-based ERP system to streamline department management. Implemented REST API integration for real-time data processing Building reusable components for scalability and collaborating with the backend team to optimize API integration.

PROJECT EXPERIENCE

1. E-Commerce Website

- Technologies Used : React.js, Redux, HTML5, CSS3, JavaScript, RESTful APIs, Bootstrap
- Developed a fully functional, responsive eCommerce website using React.js, aimed at providing a seamless shopping experience for users.
- API Integration: Integrated third-party RESTful APIs to fetch product data, process payments and manage user data efficiently
- Performance Optimization: Enhanced the website's performance by lazy-loading images, reducing bundle sizes, and optimizing rendering speeds to provide a smooth user experience.

SKILLS

• TECHNICAL SKILLS

- ReactJS
- JavaScript
- CSS3
- BootStrap
- HTML

• CORE COMPETENCIES

- Technical proficiency
- Problem solving
- Adaptability
- Debugging
- Communication skill
- Web Services/design
- Time management
- Performance Optimization

• SOFT SKILLS

- Debugger
- Team player
- Adaptable

EDUCATION

• B-Tech in Computer Engineering(Pursuing) (Current CGPA-7.43)

Sal Engineering and Technical Institute , Ahmedabad,Gujarat

CERTIFICATES

- Excited to annouce that i have recently completed my Front-End-Web-Development training from Akash Technolabs.

PROFFESIONAL SUMMARY

- Motivated and detail-oriented React.js Developer Intern with hands-on experience in building dynamic and responsive web applications. Proficient in React.js, JavaScript, HTML5, and CSS3, with a strong understanding of component-based architecture and state management. During my training , I contributed to the development of interactive user interfaces and learned to apply modern front-end development practices in real-world projects. Eager to continue growing my skills in React.js development, with a focus on creating efficient, user-friendly web applications. Passionate about learning new technologies and delivering high-quality solutions.

EXTRA CURRICULAR

- Represented Gujarat Technological University (GTU) at West Zone inter-University Tournament (National level) in Cricket.
- Other interest in Sports like Volleyball , Football.
